

# CEMETERY REVITALISATION PROJECT

The Shire of Irwin advises that revitalisation works at the Dongara Cemetery are scheduled to commence on Monday 20 May 2019 and will continue for approximately 1 – 2 weeks.

The revitalisation project will include beautification of the area and will see 70 mature trees planted and reticulated. Some dead and dying pines will be removed to allow planting of the new trees.

Further details may be obtained by contacting Mark Jones, Supervisor Parks & Gardens, on 9927 0000.
