3. Generally, all meetings are open to the public; however, from time to time Council will be required to deal with personal, legal and other sensitive matters. On those occasions Council will generally close that part of the meeting to the public. Every endeavour will be made to do this as the last item of business of the meeting.
4. **Public Question Time:** It is a requirement of the Local Government Act 1995 to allow at least fifteen (15) minutes for public question time following the opening and announcements at the beginning of the meeting.  - The Presiding member may decide that a question shall not be responded to where:
 - the same or similar question has been asked at a previous meeting and a response has already been provided;
 - a statement has been made and is not reformed into a question; or

Question taken on notice at the 23 February Ordinary Council Meeting:

R Murray – Ocean Drive, Port Denison: Can Council consider reducing the speed limit from 50km/h to 40km/h at the Point Leander Drive Granny's Beach roundabout and in front of the Port Store as it is quite dangerous for pedestrians?

Response by the Shire President at the 23 February 2021 Ordinary Council Meeting: Speed zones are controlled by Main Roads WA and 50km/h is the recommended limit for built up areas, however it can be investigated therefore we will take your question on notice.

Council Role:

Report Purpose:

To consider and adopt the annual budget review for the 2020/21 financial year as presented in Attachment Booklet – March 2021.

Background:

Regulation 33A of the *Local Government (Financial Management) Regulations 1996* requires Council to conduct a review of its budget between 1 January and 31 March in each financial year. The Regulation requires that the results be submitted to Council to determine whether to adopt the review and recommendations made. Within 30 days of the review a copy of the review and determination is to be provided to the Department of Local Government, Sport and Cultural Industries.

Officer’s Comment:

The budget review has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and *Australian Accounting Standards*. Council adopted a 10% and \$10,000 variance level for the reporting of material variances to be used in the statements of financial activity and the annual budget review.

- This report provides information by program and is based on the seven-month period from 1 July 2020 to 31 January 2021.
- The budget review reflects a view of the position of the Shire of Irwin – projected full year income and expenditure against full year original budget.
- The projected actuals are based on the information provided for each program, with an estimated Net Operating Surplus of \$2,229.

Attachment 1 is an explanation of identified major expenditure and revenue variations and a review of the capital program showing all budgeted items and any variances required. It is worth noting that a net operating surplus of \$2,229 has been achieved from an opening deficit of \$412,904 at 1 July 2020. Some of the major variances in the review include:

REVENUE

- Additional \$1M drought extension funding that is being used to fund Moreton Terrace upgrade.

- Additional \$261,054 LRCI Stimulus grant funding (Phase 2) which is being used to fund Surf Beach stabilisation works.
- Significantly higher than expected revenue from the Container Deposit Scheme.
- Allowance made for coastal node camping revenue that commences 22 March 2021.

EXPENDITURE

- Additional expenditure on the Dongara Medical Centre relating to the provision of practice management and IT.
- Additional expenditure on Environmental Health consultant services for COVID-19 and asbestos at the Drive-In.

Report Purpose:

To meet with Council’s appointed auditor via teleconference.

Background:

The Annual Financial Report for the year ended 30 June 2020, along with the 2019/20 Annual Report will be presented to Council for consideration at this Ordinary Council Meeting (Item CEO02-03/21). In accordance with section 7.12A of the *Local Government Act 1995*, a local government is to meet with the auditor of the local government at least once in every year. It is therefore considered appropriate that this meeting coincides with the presentation of the 2019/20 Annual Report and Auditor’s Report.

Officer’s Comment:

The Shire of Irwin’s 2019/20 audit was conducted by the Office of the Auditor General (OAG) who contracted Moore Australia (WA) as field auditors. Mikey Fiorucci, OAG was invited to attend the meeting via teleconference to provide comment on the audit process and findings, however was unable to attend. Therefore, Efthalia Samaras, OAG will be presenting to Council on his behalf. This will provide Councillors an insight into the preparation of the financial reports and how to appropriately interpret the results.

Consultation:

An Audit Exit Meeting was held on Thursday 28 January 2021 attended by Mikey Fiorucci (OAG), Greg Godwin (Moore Australia (WA)), Cr Ian West (Audit Committee Chairperson), Cr Mike Smith (Shire President), Shane Ivers (CEO), Danika Chandler (A/Manager Corporate & Community), Jenny Goodbourn (Supervisor Finance) and Stephanie Clarkson (A/Senior Finance Officer).

Council Role:

- Advocacy** When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.

Report Purpose:

To consider and accept the Shire of Irwin Annual Report for the year ending 30 June 2020.

Background:

The *Local Government Act 1995* requires local governments to prepare and accept, by Absolute Majority, an Annual Report for each financial year by no later than 31 December after that financial year. As the audited financial statements were not received from the auditor until 4 February 2021, Council must adopt the Annual Report within 2 months after the audited financial statements are received.

The *Local Government Act 1995* also requires local governments to hold a general meeting of electors once every financial year and not more than 56 days after accepting the annual report from the previous financial year. It is therefore proposed to hold the Annual Electors’ Meeting on Tuesday 27 April 2021 at 5.00pm directly before the Ordinary Council Meeting.

Officer’s Comment:

The 2019/20 Annual Report, prepared in accordance with the requirements of the *Local Government Act 1995*, is presented as an attachment for Councillors’ perusal, consideration and acceptance. The report contains the audited annual financial statements and independent audit report, and highlights the Shire of Irwin’s achievements throughout 2019/20, in accordance with the Strategic Community Plan 2017-2027.

Consultation:

The Shire of Irwin’s auditors, Moore Australia (WA), on behalf of the Office of the Auditor General, have completed an audit of the annual financial statements for the year ended 30 June 2020. Author:	K Haug, IT Systems & Governance Officer
Responsible Officer:	D Chandler A/Manager Corporate & Community
File Reference:	3.0198
Voting Requirements:	Absolute Majority

Council Role:

- Advocacy** When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.
- Executive** The substantial direction setting and oversight role of the Council e.g. performance of the Local Government’s function under law, administration of Local Laws, adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.
- Legislative** Includes adopting local laws and local planning schemes.
- Review** When Council reviews decisions made by Officers.
- Quasi-judicial** When Council determines an application/matter that directly affects a person’s rights and interests. The judicial character arises from the obligation to abide by the principles of natural justice e.g. local planning applications, building permits, other permits/licences (e.g. under Health Act, Dog Act or local laws) and other decisions that may be appealable to the State Administrative Tribunal (SAT).

Report Purpose:

For Council to consider and adopt the 2020 Compliance Audit Return as per the *Local Government Act 1995*, Section 7.13 and the *Local Government (Audit) Regulations*, Regulation 14.

Background:

Local governments are required by legislation to complete a statutory compliance return (Compliance Audit Return (CAR) annually and have the return adopted by Council. The return is a checklist of a local government’s compliance with the requirements of the Act and its Regulations, concentrating on areas of compliance considered “high risk”.

The Audit Committee is to review the annual CAR and report to Council the results of that review, prior to adoption of the return by Council. After adoption, the return is to be signed by the Shire President and CEO prior to it being forwarded to the Department of Local Government, Sport and Cultural Industries (DLGSCI) by no later than 31 March.

Officer’s Comment:

The Shire of Irwin Audit Committee reviewed the 2020 CAR at its meeting on 16 March 2021 and resolved to support the responses in the CAR, provided as Attachment 1.

The following list provides an outline of each section addressed in the 2020 Compliance Audit Return:

Commercial Enterprises by Local Governments

The acquisition of the Dongara Medical Centre in 2020 was considered a major land transaction that was not exempt, therefore a business plan was prepared in accordance with s3.59(2)(b) of the *Local Government Act* and Regulations 7, 8 and 10 of the *Local Government (Functions and General) Regulations 1996*. Compliance with public notice requirements and proceeding by absolute majority has all been met in accordance with s3.59(4)(5).

Delegation of Power / Duty

An investigation was undertaken to ensure that the Shire is meeting statutory obligations regarding Delegated Authority. N/A response has been provided for questions relating to delegation of powers

to Committees as there have been no delegations of this type. Regarding delegations from Council to CEO and CEO to staff, processes around administering and recording these delegations are sound, particularly with the in-depth review of Council to CEO delegations and adoption of the new register at the 28 July 2020 Ordinary Council Meeting.

Disclosure of Interest

Recordkeeping practices for Disclosures of Interest are sound and staff have a number of practices/procedures in place to ensure compliance in this area.

All Annual returns were lodged by the 31 August as per Section 5.76 of the *Local Government Act 1995*, however a Primary Return was not lodged by an employee within three months of their start date. This was reported to the DLGSCI with a response advising that the Department has considered the matter and determined that in this case no further action will be taken. However, the employee should be reminded of their obligations under the Act to submit all future annual returns by the due date. The Department also advised that the matter has been recorded in their case management system should a similar matter arise in the future. To fulfill obligations by the CEO, the matter was also reported to the Crime and Corruption Commission with notification of the outcome advising that no further action will be taken.

Codes of Conduct were reviewed, and new Codes of Conduct adopted at the 20 August 2020 Ordinary Council Meeting in accordance with Regulations 34B and 34C of the *Local Government (Administration) Regulations 1996*.

Disposal of Property

The Shire disposed of a number of vehicles, furniture, equipment & property during 2020 by public auction and other means. Therefore, the Shire is considered to be compliant in all areas relating to disposal of property.

Elections

N/A response was provided for this section as there were no disclosures of electoral gifts received by the CEO during the reporting period.

Finance

This section relates to the Audit Committee and its duties. The Shire is considered to be compliant in all areas. The Shire is required to report on actions taken to address significant adverse trends identified in the 2019/20 audit within 3 months of receiving the audit report. The auditor's report was received 4 February 2021. A report addressing significant adverse trends will be presented to the Audit Committee at a meeting in early April 2021 and then to Council at the 27 April 2021 Ordinary Council Meeting.

Integrated Planning and Reporting

This section seeks input about Integrated Planning and Reporting and Regulation 17 of the *Local Government (Audit) Regulations 1996*. Council has recently adopted a Corporate Business Plan in line with the existing Strategic Community Plan. It has been identified previous to completion of the CAR, that a revised Asset Management Plan and Workforce Plan all need to be developed and adopted along with a review of the Long Term Financial Plan. These will be done after the review of the Strategic Community Plan in 2021.

Local Government Employees

This section relates to the recruitment of the Chief Executive Officer (CEO) or designated senior employees. All responses are N/A as there were no appointments made for these positions during the reporting period.

Official Conduct

The Shire of Irwin has not received any complaints relating to official conduct of Council members resulting in an action under s5.110(6)(b) or (c) during 2020.

Optional Questions

All optional questions were answered in the CAR with the Shire considered compliant in all areas, including the proactive adoption of council policy CP45 Attendance at Events in accordance with

s5.90A(2) and council policy CP44 Councillor Training and Continuing Professional Development in accordance with s5.128(1).

Tenders for Providing Goods and Services

The Shire is considered to be compliant in all areas of this section.

The Compliance Audit Return is due for submission to the DLGSCI by 31 March 2021.

Adoption of the CAR is a statutory requirement of Council which could have major compliance implications for the Shire and is therefore considered to have a high risk rating, however the completion of this return annually helps to ensure that the Shire is following good governance practices and complies with the relevant Acts and Regulations.

Consultation:

The 2020 CAR was presented to the Shire of Irwin Audit Committee on Tuesday, 16 March 2021. The committee reviewed the return and resolved to support the responses provided.

Report Purpose:

For Council to consider awarding Request for Quotation (RFQ) VP232405 Moreton Terrace Upgrade – Asphaltting Works.

Background:

The Shire of Irwin is resealing Moreton Terrace and renewing the kerbing and drainage as part of the asset management program funded by the Regional Road Group (RRG) program. The scope of works for this procurement activity is for the asphaltting of Moreton Terrace, the Cemetery carpark, Midlands/Tabletop Road intersection with the option to asphalt Hosken Street, Town Park carpark, Community Resource Centre carpark and the Dongara Hotel Motel precinct.

In accordance with s.11(2)(b) of the *Local Government (Functions and General) Regulations 1996*, quotes were invited for the supply of road sealing services undertaken as a tender exempt purchase through the WALGA Preferred Supplier Program.

Three suppliers were invited to quote, in line with Council Policy *CP20 – Purchasing – Amended for a declared State of Emergency*, of which one submission was received. This submission met the required compliance criteria and was assessed against the qualitative criteria before pricing was applied in the evaluation. This determined the best value for money and most advantageous submission as recommended in the Evaluation Report provided as Confidential Attachment 3.

As per delegation *CEO100 Tenders for Goods & Services – (Amended for a declared State of Emergency)* the Chief Executive Officer has delegated authority to approve tender exempt procurement, in accordance with the Purchasing Policy requirements, where the total consideration under the resulting contract is \$250,000 or less. Therefore, this purchase requires Council authorisation.

Officer’s Comment:

The submission by Respondent C met the qualitative criteria as set out in the RFQ document. For full details of the scores and ranking refer to the RFQ Evaluation Report for final scores and ranking as provided in Confidential Attachment 3.

For further details regarding the compliance and qualitative criteria, refer to the attached RFQ Evaluation Report as provided in Confidential Attachment 3.

It is recommended that Council award contract VP232405 Moreton Terrace Upgrade – Asphaltting Works to Respondent C for the contract value of \$426,856 (ex GST) with the option to proceed with the some or all optional packages to the value of \$302,727 (ex GST), subject to the availability of Council approved funds.
