

Moreton Terrace Upgrade

The new Moreton Terrace road surface from the Highway back through Point Leander Drive roundabout has been completed. Kerbing and paving work are due to commence Tuesday, 28 September.

The completion of the Waldeck Street roundabout and additional asphaltting improvement jobs around town will continue over the following weeks. This is expected to involve intermittent road closures throughout the school holidays. Disruptions will be kept to a minimum and the roadway will remain open whenever it is safe to do so, with daily reviews. Traffic management will be in place throughout the works program to keep traffic flowing and pedestrians safe.

Following the completion of the road works related traffic improvements will include extensive line marking, installation signage, and reconfiguration of parking bays in key locations.

The Shire sincerely thanks the community for their cooperation during these works and apologises for any inconvenience.

For further information regarding the Moreton Terrace Upgrade works please contact the Shire Administration Office on 9927 0000 or email reception@irwin.wa.gov.au.
