

Moreton Terrace Upgrade

The new streetlights between the roundabouts have now been connected by Western Power.

Kerbing has been completed along the length of Moreton Terrace, from the Highway through the Waldeck Street roundabout.

Paving of this section is due to start 12 October. Some short intermittent road closures will be necessary. Disruptions will be kept to a minimum and the roadway will remain open whenever it is safe to do so.

Following the completion of the road works related traffic improvements will include extensive line marking, installation signage, and reconfiguration of parking bays in key locations.

The Shire sincerely thanks the community for their cooperation during these works and apologises for any inconvenience.

For further information regarding the Moreton Terrace Upgrade works please contact the Shire Administration Office on 9927 0000 or email reception@irwin.wa.gov.au.
