

Candidate Details

District	Shire of Irwin
Candidate Name	Mark LEONARD
Ballot Paper Name	LEONARD, Mark
Nominating for	Councillor
Election Type	Ordinary

LEONARD, Mark

My family and I have lived in DongaraDenison for the past 23 years. From a background in agriculture we then started a company in the mining and agricultural industry, whilst continuing to farm a small property at Irwin. I have been involved in the community in junior and senior sports, emergency services and on Council for the past 8 years. I believe Councilors must be guided by the community to ensure careful use of ratepayers funds in areas such as our medical and sporting facilities, aged housing, our foreshores and beaches and our farming and fishing community. Importantly I believe the safe family friendly we have now, the reason many of us choose live in DongaraDenison must be preserved whilst guiding future development that will attract employment and opportunity to our community.
