Waste Collection Service Information

- The mobile bin is for the disposal of all general household waste.
DO NOT place the following items in the bin - building materials, large garden cuttings, oils, acids or other liquids.
- Rubbish is collected once per week by the Council's Contractors
Bins should be out as early as 6am on collection days or the night before.
- All bins should be placed approximately half a metre from the kerb and half a metre apart from each other, with the lid opening to face the road.
DO NOT place bins under trees or park cars front of bins.

Please see the website for details or ask our friendly reception staff for information on rubbish collection days.

Office use only - payment
