[Budget Review 2017/18](#)

Background:

Regulation 33A of the Local Government (Financial Management) Regulation 1996 requires Council to conduct a review of its budget between 1 January and 31 March in each financial year. The Regulation requires that the results be submitted to Council to determine whether to adopt the review and recommendations made. Within 30 days of the review a copy of the review and determination is to be provided to the Department of Local Government, Sport and Cultural Industries.

Officer's Comment:

The budget review has been prepared to include information required by the Local Government Act 1995, Local Government (Financial Management) Regulations 1996 and Australian Accounting Standards. Council adopted a 10% and greater than \$5,000 for the reporting of material variances to be used in the statements of financial activity and the annual budget review.

- This report provides information by program and is based on the eight month period from 1 July 2017 to 28 February 2018.
- The budget review reflects a view of the position of the Shire of Irwin – projected full year income and expenditure against full year original budget.
- The projected actuals are based on the information provided for each program, with an estimated increase in Net Operating Profit of \$46,815 compared to original budget.

In the attachment is an explanation of identified major expenditure and revenue expectations of specific projects not proceeding, reduction in revenue or timing issues.

Stakeholder Engagement:

Responsible officers have predicted the balances on their activities.

Financial/Resource Implications:

The adoption of this budget review will forecast the budget with an estimated surplus of \$46,815. It is suggested that the estimated surplus be retained in the Municipal accounts to be brought forward into next financial year.

Statutory Environment:

Local Government Act 1995

Subject: Solar Power Proposal – Council Facilities
Reporting Officer: Coordinator Technical Services
Responsible Executive: Acting Chief Operating Officer
File Reference: FM.CO
Voting Requirements: Simple Majority

Council Role:

- Advocacy** When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.

Report Purpose:

For Council to consider a proposal to upgrade the power supply at the Irwin Recreation Centre and Shire Administration Office to solar power.

Officer's Recommendation:

That Council accepts the solar power proposal as prepared by Shine Tech Solar, based on the five year repayment option through the Government Rental Scheme for the:

- 1. Irwin Recreation Centre, as presented in the Attachment Booklet – March 2018**
- 2. Shire Administration Office and Council Chambers as presented in the Attachment Booklet – March 2018.**

Attachment:

[Attachment 1 - Irwin Recreation Centre Solar Power Proposal](#)
[Attachment 2 – Shire Administration Office Solar Power Proposal](#)

Background:

The average annual Council expenditure for the supply of electricity to the Irwin Recreation Centre and Shire Administration Office including Council Chambers is approximately \$17,000 and \$12,500 (ex GST).

A proposal to supply and install solar power was received in August 2017 from Shine Tech Solar Pty Ltd. Based on current electricity usage data, the proposed solar systems are anticipated to offset power consumption during peak periods by 96% and 92% at the Rec Centre and Administration Office.

Payment options for the supply and installation of the system include a one off lump sum payment or fixed price repayments over a five or seven year term, through a Government Rental Scheme. The Government Rental Scheme is a rent to buy system, therefore Council owns the system from the day repayments start being made, with no additional charges once the payment term ends. Throughout the rental period any system defects, repairs or breakdown maintenance are fully covered under a ten year Shine Tech Solar workmanship guarantee on all products and components. The solar panels include a twenty five year output warranty, ten year structural warranty and are certified to withstand challenging coastal environmental conditions.

Officer's Comment:

Irwin Recreation Centre Proposal

The proposed 40kW solar power system has the potential to produce \$22,317 of energy per annum at a total upfront cost of \$59,850 (ex GST). Alternatively repayment options are available as per Table 1.

Table 1 – Comparison Repayment Options

5 Year	\$1,221.91	\$73,314.60
7 Year	\$ 942.95	\$79,207.80

Note- All figures are ex GST

The 40kW System has the potential to provide the following projected savings, after repayments as per Table 2.

Above figures calculated based on kW/h rate of \$0.26c

Based on the projected savings in Table 2, the five year repayment option will provide Council with the largest saving potential over the expected lifetime of the infrastructure (twenty five years). The total cost for the supply and installation of the solar power system over the five year term is \$73,315 (ex GST) with a projected cash positive position of \$60,587 after repayments.

Shire Administration Office and Council Chambers Proposal

The proposed 20kW solar power system has the potential to produce \$10,080 of energy per annum at a total upfront cost of \$28,000 (ex GST). Alternatively repayment options are available as per Table 3.

Table 3 – Comparison Repayment Options

The 40kW System has the potential to provide the following projected savings, post-tax after repayments as per Table 2.

Table 4 – Savings Calculations

20 Years	\$ -	\$ 167,542	\$ -	\$ 164,485
25 Years	\$ -	\$ 217,942	\$ -	\$ 214,885

Note- All figures are ex GST

Above figures calculated based on kW/h rate of \$0.31c

Based on the projected savings in Table 4, the five year repayment option will provide Council with the largest saving potential over the expected lifetime of the infrastructure (twenty five years). The total cost for the supply and installation of the solar power system over the five year term is \$34,058 (ex GST) with a projected cash positive position of \$26,442 after repayments.

Through the Government Rental Scheme there are no upfront costs to Council for the proposed systems and the solar installation will begin to offset consumption each month for less than what Council currently pay for electricity. However, it should be noted that there will still be a minimal cost to Council for the supply of non-solar powered electricity.

The ten year structural warrantee and twenty five year output warrantee mitigates any risk to Council of the infrastructure not lasting the term of the repayment scheme.

Stakeholder Engagement:

Asset Management Advisory Committee (September 2017).

Financial/Resource Implications:

Due to a decrease in energy costs, there will be positive financial implications to future budgets.

Statutory Environment:

Local Government Act 1995

Policy Implications:

This proposal aligns with the Shire's Green Infrastructure Strategy.

Risk Implications:

The financial impact of risk occurring should Council accept the Shine Tech Solar proposal is considered moderate (3) with the measure of likelihood being rare (1). Therefore the overall risk rating to Council is considered low (3) and acceptable; managed through routine procedures and annual monitoring.

Strategic Implications:

Strategic Community Plan 2017 - 2027

Strategy 2.1.3 Identify, provide and manage Shire assets (including community infrastructure, Shire controlled reserves and freehold land) in accordance with agreed service levels.

OFFICE OF THE CEO

CEO01-03/18

Subject: Chief Executive Officer Leave Arrangements
Reporting Executive: Chief Executive Officer
File Reference: PE.RE.SIM01
Voting Requirements: Simple Majority

Council Role:

- Advocacy** When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.
- Executive** The substantial direction setting and oversight role of the Council e.g. adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.
- Legislative** Includes adopting local laws, local planning schemes and policies.
- Review** When Council reviews decisions made by Officers.
- Quasi-judicial** When Council determines an application/matter that directly affects a person's rights and interests. The judicial character arises from the obligation to abide by the principles of natural justice e.g. local planning applications, building licences, other permits/licences (e.g. under Health Act, Dog Act or local laws) and other decisions that may be appealable to the State Administrative Tribunal (SAT).

Report Purpose:

To seek Council's endorsement of the Chief Executive Officer's proposed annual leave absence from 14 April to 30 April 2018 (inclusive) and appoint an acting Chief Executive Officer for this period.

Officer's Recommendation:

That Council:

- 1. Note and endorse the Chief Executive Officer's annual leave arrangements from 14 to 30 April 2018 (inclusive); and**
- 2. Appoint Mr Shane Ivers as Acting Chief Executive Officer on a commensurate pro rata cash salary as the Chief Executive Officer for the period 14 to 30 April 2018 (inclusive).**

Background:

As an employee of Council, the Chief Executive Officer (CEO) is entitled to 25 annual leave days as provided in his contract of employment.

The CEO's leave is usually approved by Shire President and, as a result, the CEO appoints an acting CEO under Council's delegation of authority CEO14.

However, with the adoption of a new executive structure, the CEO is not in a position to appoint an acting CEO due to the CEO14 delegation conditions that limit such appointments to substantive position of Director – roles that are no longer part of Council's approved executive management structure.

Therefore, Council is required to appoint an Acting Chief Executive Officer to be responsible for the Shire's day-to-day operations and assume the statutory requirements of the position during the CEO's annual leave absence.

Officer's Comment:

The CEO intends taking 11 annual leave days (from his existing 31 days annual leave entitlement) during the period from 14 to 30 April 2018 (inclusive) as this coincides with the April school holiday period and a planned family vacation.

In order to facilitate the CEO taking leave, it is recommended that Council appoint Mr Shane Ivers, Council's acting Chief Operating Officer as acting CEO for the period 14 to 30 April 2018 (inclusive) being suitably qualified (based on his academic degree qualifications and significant management experience within the resources and local government sectors), availability and being personally agreeable for consideration of such appointment.
