Mary Yewers

Summary of Question One

Why was a steel bollard placed in the walkway at Swan View at Northshore blocking access to the beach?

ANSWER: The bollard was placed in this position to prevent 4WD access down to the beach. Cr Hepworth suggested that Mrs Yewers make an appointment with the CEO to discuss a solution.

RESPONSE: Subsequent to this advice, the Shire has removed the bollard but will monitor the situation in order to ensure public safety and environmental impacts are not compromised.

Summary of Question Two

What is the Shire doing about the boxthorn and rabbits along Northshore Drive?

ANSWER: Cr Hepworth acknowledged that boxthorn and rabbits were a problem throughout the Shire, however the question will be taken on notice and a written response provided by the CEO.

RESPONSE: Whilst the Shire maintains a high standard in its parks and gardens (including the Lookout, Memorial Park, entrances to town and roundabouts) it acknowledges that boxthorn and rabbits are problems affecting many non-urban parts of the Shire, on this basis I will arrange for these issues to be included on the agenda for the next meeting of Council's Tidy Towns Sustainable Committee for consideration.

**Subject:** Building Fees for Commercial Development  
**Proponent:** N/A  
**Reporting Officer:** Manager Community Development  
**File Reference:** Minute Book  
**Date Prepared:** 4 April 2012  
**Voting Requirements:** Simple Majority

**Report Purpose:** To seek Council's consent to establish fees relating to the new Building Act 2011 and advertise the new fees in accordance with the Local Government Act 1995.

**Officers Recommendation:**

That Council consent to the setting of the following fees relating to building applications and advertise the fees in accordance with Section 6.19 of the Local Government Act 1995:

<b>Service</b>	<b>Fee incl. GST</b>
Request to provide certificate of Design Compliance Class 1 and 10	0.13% of estimated value, but not less than \$90
Request to provide certificate Design Compliance Class 2 - 9	0.9% of estimated value, but not less than \$180
Request to provide certificate of construction compliance	Minimum of \$240 for the first 2 hours, plus \$120per hour thereafter
Request to provide certificate of building compliance	Minimum of \$240 for the first 2 hours, plus \$120per hour thereafter
Amended Plan assessment Fee – Class 1 & 10	\$100
Amended Plan assessment Fee – Class 1b, 2 - 9	\$200
Provision of written advice confirming compliance with town planning and environmental health matters, and/or advising of town planning and environmental health requirements, prior to submission of an application for issue of building permit	\$150
Occupancy Permit	\$40.50
Building approval certificate	\$40.50

**Body / Background:**

The Building Act 2011 provides that an applicant can submit an uncertified building application for classes 1 and 10. Fees for these applications have been set by the Building Commission.

However, all building permit applications for 2-9 need to be certified. The service to assess the building standards and issue a certificate of design compliance (CDC) can be provided by a private certifier or local governments.

**Officers Comment:**

The fees for this service need to be set by each individual local government if they employ a Building Surveying Practitioner and wish to provide this service.

**Financial Implications:**

Proposed Fees:

<b>Service</b>	<b>Fee incl. GST</b>
Request to provide certificate of Design Compliance Class 1 and 10	0.13% of estimated value, but not less than \$90

**Reporting Officer:** Community Development Officer  
**Date of Report:** 18 April 2012

**Voting Requirements:** Simple Majority

---

**Report Purpose:**

To support National Volunteer Week by hosting a function to promote awareness of volunteers within our community by inviting key people from community groups within the Shire to attend.

**Officer's Recommendation:**

That Council support and acknowledge volunteers within our shire based community groups by hosting a function within the National Volunteer Week (NVW) and inviting the principal office bearer and partner from within our community groups to attend.

**Body/Background:**

National Volunteer Week (NVW) is the largest celebration of volunteers and volunteerism in Australia, and provides an opportunity to highlight the role of volunteers in our communities and to say thank you to the more than **6.1 million Australians who volunteer**. National Volunteer Week (NVW) begins the Monday after Mothers Day in May each year - **14th to 20th May 2012**.

Volunteers are essential to society, and many charities would struggle to survive without the support of their volunteers. Australian volunteers contribute more than 700 million hours of community service to so many areas of society, including community health care, heritage and arts, environment conservation, emergency services, education, social justice and sports. NVW provides a platform to pay tribute to these volunteers who donate their time and energy to help others.

**Officer's Comment:**

To encourage and acknowledge the volunteers within the Irwin Community and to thank them for the service they provide so tirelessly. National Volunteer Week is also a good opportunity to promote and raise awareness of volunteering within the Community.

**Financial Implications:**

The financial implication to the Shire would be approximately \$1500.00 from the Community Development budget allocation.

**Subject:** Delegation of Authority to Appoint an Acting Chief Executive Officer  
**Reporting Officer:** Chief Executive Officer  
**Date of Report:** 18 April 2012  
**File Reference:** PE.AU.1  
**Voting Requirements:** Absolute Majority

---

**Report Purpose:**

For the Council to give consideration to delegating authority to the Chief Executive Officer to be able to make appointments to the position of Acting Chief Executive Officer during periods of absence not exceeding thirty-five (35) days.

**Officer's Recommendation:**

That Council delegate authority to the Chief Executive Officer the power to make appointments to the position of Acting Chief Executive Officer based on:

- (a) The Shire employee holding the substantive position of 'Director' and is designated a 'Senior Employee' by the Local Government Act 1995; and
- (b) Appointments being for no longer than thirty-five (35) days, with all other appointments to the position of Acting Chief Executive Officer referred to the Council for determination.

**Body/Background:**

The Local Government Act 1995 requires that a local government employ a person to be the Chief Executive Officer.

In the past where the CEO is scheduled to be absent from the Shire and unable to fulfil the statutory duties of the position of the CEO, a report has been presented to the Council recommending another employee be appointed to the role of Acting CEO during the identified period of absence.

The CEO, throughout the course of his employment with the Shire, will be entitled to take periods of annual and sick leave and may be absent from the Shire for other reasons, which will prevent him/her from fulfilling his statutory obligations. As a result of these circumstances occurring from time to time and for other circumstances it is advisable that a process be in place by which another employee of the Shire can be appointed to the role of Acting CEO.

In order to provide such a process it is open to Council to delegate the authority to the CEO to be able to appoint another employee of the Shire who is employed as the status of 'Director' and designated as a senior employee under the provisions of the Local Government Act 1995.

**Officer's Comment:**

The Local Government Act 1995 requires that it is the Council that has the power to appoint a person to the position of CEO. However, the power to appoint a person to the position of CEO on an acting basis may be delegated by the Council to the CEO.

Circumstances may arise relating to the permanent CEO being required to be absent from the Shire for various reasons such as annual or sick leave. In these circumstances it is appropriate that the CEO be delegated the authority to be able to appoint another employee of the Shire who is employed as a 'Director' and is designated as a Senior Employee of the City as per the Local Government Act 1995.

It is recommended that in accordance with good governance principles, the ability for the CEO to appoint a person to the Acting position of CEO should not be for periods of no more than thirty-five (35) days. All appointments for a Shire employee to act in the position of CEO greater than thirty-five (35) days must be referred to the Council for consideration.

**Financial Implications:**

Additional salary expenses associated with a higher duties payment as determined by the CEO

**Background:**

**Subject:** Budget Review 2011/12  
**Reporting Officer:** Director Corporate Services  
**File Reference:** FM.BU.11.12  
**Date Prepared:** 18 April 2012  
**Voting Requirements:** Absolute Majority

**Report Purpose:**

To consider the budget review for the financial year 2011/12 and to determine whether or not to adopt the review, any parts of the review or any recommendations made in the review.

**Officers Recommendation:**

That Council adopts the review of the Shire of Irwin 2011/12 Budget and recommendations as contained within the attachment to DCS.409.

**Body / Background:**

Regulation 33A of the Local Government (Financial Management) Regulation 1996 requires Council to conduct a review of its budget between six and nine months into a financial year. The Regulation requires that the results be submitted to Council to determine whether to adopt the review and recommendations made. Within 30 days of the review a copy of the review and determination is to be provided to the Department of Local Government.

**Officers Comment:**

The Director of Corporate Services has undertaken a detailed review of the Shire of Irwin Annual Budget for 2011/12 and forecast the final results for the full year to 30 June 2012 based on actual results to 29 February 2012.

Attached is a Statement of Financial Activity projecting the estimated position as at 30 June 2012, which indicates an anticipated current net asset position of approximately \$461,300 at year end. A report follows the Statement summarising significant variances to the budget which results in the anticipated final position.

**Financial Implications:**

As noted in the review.

**Statutory Environment:**

**33A. Review of budget**

- (1) Between 1 January and 31 March in each financial year a local government is to carry out a review of its annual budget for that year.

  - (b) consider the local government's financial position as at the date of the review; and
  - (c) review the outcomes for the end of that financial year that are forecast in the budget.
- (2) Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to the council.

**Subject:** Proposed Crossover Extension to Residential Property  
**Reporting Officer:** Works Manager  
**Date of Report:** 17 April 2012  
**File Reference:** Minute Book  
**Voting Requirements:** Simple Majority

---

**Report Purpose:**

To consider a proposal from Mr and Mrs Jupp of Lot 602 Poole View, Dongara to extend their crossover past the 6 metres maximum limit as stated in councils Vehicle Crossovers policy.

**Officer's Recommendation:**

That council approves this application for a concrete verge treatment, because it will assist in the prevention of erosion and debris washing onto the roadway. This method is a better option than gravel stones, however the following conditions need to be put in place;

1. The landowner will place an extra soak well with grated lid in the verge;
2. Design the verge so that the soak well catches the majority of excess water from the concrete surface.

**Body/Background:**

The landowners Mr and Mrs Jupp of Lot 602 Poole View are requesting permission to concrete the verge fronting their property. In the past the Shire's preference was to cover the verge with lawn. A lot of residents are now removing the grass from the verges and replacing with washed gravel stones. This reduces cost and the need for maintenance. The problem with the stones is that the stones are loose and can become a hazard for pedestrians and cyclists.

**Officer's Comment;**

The positioning of the property at Northshore and the soil types that are prevalent, suggest that the proponents are trying to avoid sand drift and are looking at a permanent fix to future water and maintenance costs.

Water runoff could be a problem with the concrete verge and would require at least one more soak well to disperse the extra water runoff and not put excessive capacity through council's drainage system.
