- 1. DECLARATION OF OPENING/ANNOUNCEMENT OF VISITORS**
  - 2. RECORD OF ATTENDANCE/APOLOGIES/LEAVE OF ABSENCE**
  - 3. RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE**

The following question was taken on notice at the 26 July Ordinary Council Meeting. Subsequently a response was provided to Mr Rossiter via email and a copy of that response is provided below:

2. Mr Rossiter outlined his opinion of the design and fitout of the Council Chambers. He enquired as to where the clock and honour board were and raised concern with the size and angle of the TV monitors, the comfort of the chairs and the quality of lighting.

The Shire President took the question on notice.

*Response: Arrangements have been made to have the Honour Board installed and updated, as well as a wall clock mounted. Efforts will be made to improve the lighting and viewing of information on the TV monitors for the benefit of the public. It is understood that the design and fitout of the Chambers may not suit all users and we do have options available to meet individual needs. Members of the public are encouraged to advise staff if they are experiencing difficulty in viewing items on the screen as this can be adjusted at the time. Copies of the Agenda may also be made available upon request.*

#### Council Role:

- Advocacy** When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.
- Executive** The substantial direction setting and oversight role of the Council e.g. adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.
- Legislative** Includes adopting local laws, local planning schemes and policies.
- Review** When Council reviews decisions made by Officers.
- Quasi-judicial** When Council determines an application/matter that directly affects a person's rights and interests. The judicial character arises from the obligation to abide by the principles of natural justice e.g. local planning applications, building licences, other permits/licences (e.g. under Health Act, Dog Act or local laws) and other decisions that may be appealable to the State Administrative Tribunal (SAT).

#### Report Purpose:

To receive the list of accounts paid under delegated authority during July 2016.

#### Officer's Recommendation:

That the Accounts paid during July 2016, represented by Trust Cheques 3124-3129 and EFT 19572-19574 totalling \$228,067.85 Municipal Cheques 31225-31244, EFT 19569-19707 totalling \$949,865.27, Police Licensing PL290616 – PL270716 totalling \$49,133.85, Credit Card Payment \$2,829.80 and Click Super \$26,752.61, be received.

**Statutory Environment:**

Local Government Act 1995

The Local Government (Financial Management) Regulations provides as follows:

13. Lists of accounts

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared —
  - (a) the payee's name;
  - (b) the amount of the payment;
  - (c) the date of the payment; and
  - (d) sufficient information to identify the transaction.
  
- (3) A list prepared under sub-regulation (1) or (2) is to be —
  - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
  - (b) recorded in the minutes of that meeting.

**Policy Implications:**

Under Delegation C3 Council has delegated authority to the Chief Executive Officer to authorise all payments by Council.

**Risk Implications:**

The likelihood of risk arising from accounts for payment is expected to be rare and the consequences would be insignificant. Therefore the risk is low.

**Strategic Implications:**

Strategic Community Plan 2012 - 2022

Strategy 4.2.1 Ensure compliance whilst embracing innovation and best practice principles.

**CORPORATE AND COMMUNITY**

**Report Purpose:**

To formally adopt the Shire of Irwin 2016/17 Budget and associated resolutions.

**Officer's Recommendation:**

**1. Public Submission**

That Council determine the submissions as outlined in the attached Schedule of Submissions provided under separate cover in the Attachments Booklet – August 2016.

**2. Adoption of the 2016/17 Municipal Budget**

That the Shire of Irwin 2016/17 Budget document, as presented in Attachment Booklet – August 2016 under separate cover, be adopted as the Shire of Irwin Budget for the year ending 30 June 2017, which includes the following:

- Statement of Comprehensive Income by Type and Nature showing revenue as \$8,027,600 excluding non operating grants and non cash items and expenditure as \$10,197,700 excluding loss on disposal of assets;
- Statement of Comprehensive Income by Program showing revenue as \$8,027,600 excluding non operating grants and non cash items and expenditure as \$10,015,000 excluding finance costs and loss on disposal of assets;
- Statement of Cashflows;
- Rate Setting Statement showing an amount required to be raised from rates of \$4,844,100;
- Notes to and forming part of the budget;
- Budget Program schedules; and
- Transfers to and from the Restricted and Reserve accounts.

**3. Differential Rating Levels**

That Council imposes the following differential rates in the dollar and minimum rates on Gross Rental and Unimproved Values for the purpose of levying differential rates for the 2016/17 financial year.

<u>Rate Category</u>	<u>Rate in Cents in the Dollar</u>	<u>Minimum Rates</u>
<i>Gross Rental Valuations</i>		
General Rate	9.6594	\$932
<i>Unimproved Valuations</i>		
General Differential Rate	1.1817	\$932
Mining Differential Rate	16.9784	\$932

**4. Outstanding Rates Penalty Interest**

That Council adopts an interest rate of eleven (11) percent charged daily on all rates and costs of proceedings to recover such rates that remain unpaid after becoming due and payable.

**5. Instalment Options**

That Council adopts the following due dates for the payment in full or by instalments:

Option 1

Payment in full by one instalment only, payment is to be received by 4pm 3 October 2016.

Option 2

Payment by two instalments only

First instalment due date 4pm 3 October 2016

Second instalment due date 4pm 5 December 2016

Option 3

Payment by four instalments only

First instalment due date 4pm 3 October 2016

Second instalment due date 4pm 5 December 2016

Third instalment due date 4pm 6 February 2017

Fourth instalment due date 4pm 10 April 2017

**6. Instalment Options Administration Fee**

That Council adopts an instalment administration charge of \$5.00 per instalment on each instalment payment after the initial instalment is paid (ie 3 x instalments = \$15.00).

**7. Instalment Option Interest Levy**

That Council adopts an interest rates of 5.5% charged daily where the payment of rates is by instalment.

**8. Change of Building Reserve Name to Asset Management Reserve**

That Council approves the change of name for the Building Reserve to Asset Management Reserve.

**9. Members Attendance Fees**

That Council adopts a Shire President's annual attendance fee in lieu of individual meeting fees of \$10,000 per annum.

That Council adopts a Members' annual attendance fee in lieu of individual meeting fees of \$7,612 per annum.

**10. Shire President's Allowance**

That Council adopts a Shire President annual allowance of \$10,000 per annum.

**11. Deputy Shire President's Allowance**

That Council adopts a Deputy Shire President's annual allowance of \$2,500 per annum.

**12. Annual Telecommunications, IT Allowance and Travel Reimbursement**

That each Council member is provided with a portable electronic device for their Council use and budget provision is made for the associated communication costs. Provision is made for reimbursement of associated members travel costs.

**13. Budget Review Variance**

That the percentage variance used during the budget review process and for financial reporting purposes be set at 10% or \$5,000, whichever is the greater.

**14. Schedule of Fees and Charges**

That Council adopts the Schedule of Fees and Charges as listed in the Budget document for 2016/17.

**Attachment:**

[Schedule of Submissions  
2016/17 Budget](#)

**Background:**

At the May Council Meeting, Council adopted differential rates and minimum payments and to have them advertised in accordance with statutory requirements. Two submissions were received during the advertising period regarding the proposed rates, consideration of the submissions were received at the June Council Meeting and adopted a reduced rate in the dollar for mining. An application was submitted to the Minister for Local Government and Communities requesting approval for a differential rate to be more than twice the lowest. Feedback was received that the rate in the dollar included in the application results in an inequitable increase in the average rates per tenement and suggested the mining differential rate in the dollar be reviewed. At the July Council Meeting a reviewed rate in the dollar for mining differential was adopted. Ministerial approval was received on 5 August 2016.

At the June Council forum substantial time and discussion was given to consideration of the provisions in the Draft Budget papers including rating levels, capital improvements, and operational requirements. General acceptance of the major items contained within the draft budget was reached.

At the June Council Meeting, Council resolved to advertise the 2016/17 Draft Budget for the purpose of public consultation, in order to consider any submissions prior to the final adoption of the budget. Closing date for submissions was Monday, 18 July 2016 and one public submission was received.

The formal budget has been prepared with minor changes and now is presented for formal adoption by Council.

The budget, as presented, is in the format that meets the requirements of the Local Government Act 1995, and accompanying Financial Management Regulations 1996, as well as the Australian Accounting Standards (AAS).

**Officer's Comment:**

One submission has been received in relation to the draft budget consultation, a submission summary and responses is available in the Attachments Booklet – August 2016.

Since the Draft Budget was adopted for public consultation a few minor adjustments and other changes that have arisen. Such adjustments and changes include the following:

- Increase surplus;
- Reduction in Mining Differential Rate revenue;
- Advance payment of the Bushfire Operating Grant;
- Advance payment of BluePrint Funding – Coastal Nodes, including the transfer from restricted;
- Transfer to restricted – road grants;
- Amendment to the roads allocated in the Roads program;
- Specification changes to medium sized SUV;
- Employee costs savings from restructure;
- Overheads, Plant Operations and Plant Depreciation allocations;

The Shire has received approval from the Minister for Local Government and Communities for Council to adopt a UV differential rate which is more than twice the lowest rate on 5 July 2016.

Listed below is an explanation of each of the recommendations:

### 2. Adoption of the 2016/17 Municipal Budget

*In the preparation of the annual budget the local government is to have regard to the contents of the plan for the future of the district made in accordance with section 5.56 and to prepare a detailed estimate for the current year of —*

- (a) the expenditure by the local government;*
- (b) the revenue and income, independent of general rates, of the local government; and*
- (c) the amount required to make up the deficiency, if any, shown by comparing the estimated expenditure with the estimated revenue and income.*

### 3. Rating

*The rates reflect an increase of 3% in rate revenue over rates raised last financial year which is designed to ensure Councils operational requirements are kept in line within the projected levels of inflation, increased state government costs of power and water, reduction in Federal Financial Assistance Grants and to continue to invest in infrastructure works to stimulate and promote the economic development of the Shire. Also taken into consideration is the Community Strategic Plan, Corporate Business Plan and other informing strategies.*

### 4. Outstanding Rates Penalty Interest

*The Local Government Act 6.51 provides that Council may resolve to impose interest on a rate or service charge that remains unpaid after becoming due and payable. This reflects the loss in investment income to Council and to encourage early payment to assist cash flow management.*

### 5. Instalment Options

*The Local Government Act 6.45 (1) and Regulations 64(2) of the Local Government (Financial Management) Regulations 1996 requires Council, when adopting the budget, to determine the due dates for payment of instalments after the due date of the first instalment. Each instalment date will be at intervals of two months from the due date of the first instalment.*

### 6. Instalment Options Administration Fee

*The Local Government Act 6.45 (3) provides that Council may impose an additional charge (including an amount by way of interest) where payment of a rate or service charge is made by instalments. This is to reflect the administrative cost to Council.*

### 7. Instalment Option Interest Levy

*The Local Government Act 6.45 (3) provides that Council may impose an additional charge (including an amount by way of interest) where payment of a rate or service charge is made by instalments. This is to reflect the loss of investment income to Council.*

8. Change of Reserve Name

*Changing the name of the Building Reserve to Asset Management Reserve reflects Councils direction for asset management.*

9. Members Attendance Fees

*In lieu of meeting fees Council may adopt an annual attendance fee as set out in section 5.99 of the Local Government Act 1995 and Local Government (Administration) Regulations 1996 30(3A)(b) to be determined by the Salaries and Allowance Tribunal, which has established a minimum/maximum of \$7,612 and \$16,205 for elected members and \$7,612 and \$25,091 for the Shire President. The Salaries and Allowances Tribunal issued its determination for Local Government Elected Council Members, with updated band levels for fees, allowances and expenses effective from 1 July 2016. In this determination Council has been placed into Band 3.*

10. Shire Presidents Allowance

*As set out in section 5.98(5)(a) of the Local Government Act 1995, the Shire President is entitled, in addition to the Members Attendance Fee to an annual allowance. The minimum/maximum allowance for the Shire President is \$1,015 and \$36,591. The current level set by Council is \$10,000. The Salaries and Allowances Tribunal issued its determination for Local Government Elected Council Members, with updated band levels for fees, allowances and expenses effective from 1 July 2016. In this determination Council has been placed into Band 3.*

11. Deputy Shire Presidents Allowance

*The Local Government Act 5.98A(1) and Regulations provide that the Deputy Shire President may be paid an annual local government allowance of up to 25% of the Shire Presidents allowance.*

12. Annual Telecommunications, IT Allowance and Travel Allowance

*The Local Government Act 5.99A provides for an Information Technology and Telecommunication allowance, to be determined by the Salaries and Wages Tribunal, the minimum/maximum allowance for Telecommunications and Information Technology is \$500 and \$3,500. Whilst Council members have only claimed for minimal expenses in the past, it is suggested that an allocation be made in the budget for the provision of associated communication costs for the portable electronic devices.*

13. Budget Review Variance

*As per AASB1031 and Local Government (Financial Management) Regulations 1996, Regulation 34 requires that a material variance percentage and/or dollar figure be adopted by Council to be used during the budget review process and financial reporting.*

14. Schedule of Fees and Charges

*The Local Government Act 6.2 (4)(c) provides that the annual budget is to incorporate the fees and charges proposed to be imposed by Council.*

**Stakeholder Engagement:**

The 2016/17 Draft Budget was advertised for public comment in the Geraldton Guardian on 1 July 2016 and the Local Rag on 6 July 2016 with submissions closing on 18 July 2016. Notices were also placed on the Council's Facebook page and electronic sign. One submission was received.

Councillors and staff have been actively engaged throughout the budget process from adopting the differential rates at the May Council Meeting and in depth discussions at the June Forum.

**Financial/Resource Implications:**

The 2016/17 Municipal Budget provides for the revenue and expenditure requirements of the Shire of Irwin for the period 1 July 2016 to 30 June 2017.

**Statutory Environment:**

The Local Government Act 1995 provides as follows:

## 6.2. Local government to prepare annual budget

- (1) During the period from 1 June in a financial year to 31 August in the next financial year, or such extended time as the Minister allows, each local government is to prepare and adopt\*, in the form and manner prescribed, a budget for its municipal fund for the financial year ending on the 30 June next following that 31 August.

*\* Absolute majority required.*

- (2) In the preparation of the annual budget the local government is to have regard to the contents of the plan for the future of the district made in accordance with section 5.56 and to prepare a detailed estimate for the current year of —
  - (a) the expenditure by the local government;
  - (b) the revenue and income, independent of general rates, of the local government; and
  - (c) the amount required to make up the deficiency, if any, shown by comparing the estimated expenditure with the estimated revenue and income.
- (3) For the purposes of subsections (2)(a) and (b) all expenditure, revenue and income of the local government is to be taken into account unless otherwise prescribed.
- (4) The annual budget is to incorporate —
  - (a) particulars of the estimated expenditure proposed to be incurred by the local government;
  - (b) detailed information relating to the rates and service charges which will apply to land within the district including —
    - (i) the amount it is estimated will be yielded by the general rate; and
    - (ii) the rate of interest (if any) to be charged by the local government on unpaid rates and service charges;
  - (c) the fees and charges proposed to be imposed by the local government;
  - (d) the particulars of borrowings and other financial accommodation proposed to be entered into by the local government;
  - (e) details of the amounts to be set aside in, or used from, reserve accounts and of the purpose for which they are to be set aside or used;
  - (f) particulars of proposed land transactions and trading undertakings (as those terms are defined in and for the purpose of section 3.59) of the local government; and
  - (g) such other matters as are prescribed.
- (5) Regulations may provide for —
  - (a) the form of the annual budget;
  - (b) the contents of the annual budget; and
  - (c) the information to be contained in or to accompany the annual budget.

### **Policy Implications:**

Nil.

### **Risk Implications:**

The consequences of not adopting the budget are catastrophic and the likelihood of there being significant consequences is rare, therefore the risk implications are moderate.

### **Strategic Implications:**

Strategic Community Plan 2012 - 2022

Strategy 4.2.1 Ensure compliance whilst embracing innovation and best practice principles

Strategy 4.3.3 Adopt best practice processes to achieve a high standard of governance and accountability.

- Executive** The substantial direction setting and oversight role of the Council e.g. adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.
- Legislative** Includes adopting local laws, local planning schemes and policies.
- Review** When Council reviews decisions made by Officers.
- Quasi-judicial** When Council determines an application/matter that directly affects a person's rights and interests. The judicial character arises from the obligation to abide by the principles of natural justice e.g. local planning applications, building licences, other permits/licences (e.g. under Health Act, Dog Act or local laws) and other decisions that may be appealable to the State Administrative Tribunal (SAT).

**Report Purpose:**

To present to Council a Department of Sport and Recreation (DSR) Community Sport and Recreation Facilities Fund (CSRFF) grant application for consent to submit to DSR for consideration.

**Officer's Recommendation:**

**That Council consents to a Community Sport and Recreation Facilities Fund (CSRFF) grant application for the conversion of three natural grass tennis courts to artificial grass being submitted to the Department of Sport and Recreation (DSR) as Council's first priority for the DSR selection process.**

**Background:**

The costs associated with maintaining four natural grass tennis courts is becoming unsustainable with the rising cost of water and the intensity of labour required to maintain the courts to a high standard. Whilst the football oval is watered with a mixture of 50% bore and 50% scheme water, that option is not available for the tennis courts which require 100% scheme water. To continue to maintain the four natural grass courts into the future our ageing reticulation system and the two concrete holding tanks will require replacement in the next year or two. Replacement of the tennis court fencing is an urgent necessity as the existing fencing is dated and the poles, mesh and joiners are badly rusted (many poles have rusted through at the base).

**Officer's Comment:**

The Irwin Recreation Centre is a modern multi use facility providing the community with a range of sporting and recreation opportunities. The Recreation Centre design has the primary goal of providing physical activity opportunities both indoor and outdoor. The existing tennis courts in their current form have served the community very well for many years however natural grass courts are rapidly becoming obsolete due the increasing maintenance costs, inconsistency in play and, being "couch" grass, only available on a seasonal basis.

Council has met with representatives of the Tennis Club on a number of occasions to discuss the future conversion of the tennis courts to an artificial grass surface and agreed to upgrade three of the existing four courts. Provision has been made in the 2016/17 draft budget for the costs of this project and it is recommended to Council that up to one third of the funding be sought from DSR through the CSRFF minor grant round closing 31 August 2016.

**Stakeholder Engagement:**

10 November 2015 – four committee members of the Dongara Tennis Club including the President, Vice President and Secretary were invited to council’s forum to discuss with council the clubs future requirements for tennis courts.

13 January 2016 – five committee members of the Dongara Tennis Club met with the Irwin Rec South Precinct Working Group to again discuss their needs going forward.

23 May 2016 – the Irwin Rec South Precinct Working Group met to discuss budget considerations for the 2016/17 Draft Budget including the conversion of natural grass courts to synthetic grass.

**Financial/Resource Implications:**

The Department of Sport and Recreations contribution to successful CSRFF small grant submissions is one third of the project cost with one third contributions from the applying sporting organisation and the other third from Local Government. As this is a Shire of Irwin application Council may be required to contribute more than one third given the size and financial means of the Dongara Tennis Club. Funding of \$192,000 has been allocated in the Shire’s 2016/17 draft budget to be fully funded through loan funds if external funding is not obtained.

**Statutory Environment:**

Local Government Act 1995.

**Policy Implications:**

Nil

**Risk Implications:**

The CSRFF grant application process requires applications to be lodged with the Local Government Authority, in the event multiple applications are received in the same funding round council is required to rank each application before been submitted to DSR. As this is the only Irwin application for this funding round the likelihood of any risk to reputation in submitting the application is expected to be rare. Therefore, the overall risk is low.

**Strategic Implications:**

Strategic Community Plan 2012 - 2022

Strategy 3.1 High quality and well maintained community infrastructure.

Strategy 3.6.6 Undertake a Recreation Needs Analysis.

**VOTING DETAILS:** CARRIED 8/0

**Officer’s Comment:**

Following the recent organisational restructure and an increased focus on asset management, an excellent opportunity exists for Council to establish an Asset Management Advisory Committee with strategic oversight of all Shire assets, excluding IT assets. The role of the Asset Management Advisory Committee will be to provide high level policy and strategic direction to the officer based, cross-functional Asset Management Team, who in turn will be responsible for the provision of evidence based analysis and modelling to enable informed, long-term decision making by the Council. The Asset Management Team will prepare systems, procedures, processes, records, documents and Asset Management Plans in line with the strategic direction provided by the Asset Management Advisory Committee through an Asset Management Policy, Guidelines and Strategy.

To ensure good governance and compliance with the Integrated Planning and Reporting Framework, as prescribed by the Department of Local Government and Communities, the Asset Management Policy, Guidelines and Strategy will be consistent with IPWEA’s International Infrastructure Management Manual with an emphasis on whole-of-life costing and associated financial modelling, which in turn will be reflected in the Shire’s Long Term Financial Plan.

The Asset Management Advisory Committee meetings will be governed by a Terms of Reference that will be prepared for consideration by the Asset Management Advisory Meeting at its inaugural meeting.

**Stakeholder Engagement:**

Nil

**Financial/Resource Implications:**

The Asset Management Advisory Committee is not authorised to make any decisions on behalf of Council. The Committee may, however, make recommendations to Council via monthly Committee Meeting Minutes showing due consideration of the degree of alignment with the Shire’s Integrated Planning and Reporting Framework, Asset Management Policies and Guidelines, Asset Management Strategy and IPWEA’s International Infrastructure Management Manual.

**Statutory Environment:**

Local Government Act 1995

**Policy Implications:**

The Asset Management Advisory Committee will establish a policy framework for the pro-active management of the Shire’s infrastructure assets.

**Risk Implications:**

The likelihood of any adversity arising from the establishment of an Asset Management Advisory Committee is rare and any consequences would be insignificant, therefore the risk is considered low.

**Strategic Implications:**

Strategic Community Plan 2012 - 2022

Strategy 4.2.2 Implement the Integrated Planning Framework, including the Long Term Financial Plan, Workforce Plan, Asset Management plan, Corporate Business Plan and Annual Budget.

**PLANNING AND INFRASTRUCTURE**

**Subject:** Development concept for Lot 2476 Brand Highway, Dongara  
**Reporting Officer:** Manager Regulatory Services  
**Responsible Executive:** Director Planning and Infrastructure  
**File Reference:** A5681  
**Voting Requirements:** Simple Majority

**Council Role:**

- Advocacy** When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.
- Executive** The substantial direction setting and oversight role of the Council e.g. adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.
- Legislative** Includes adopting local laws, local planning schemes and policies.
- Review** When Council reviews decisions made by Officers.
- Quasi-judicial** When Council determines an application/matter that directly affects a person's rights and interests. The judicial character arises from the obligation to abide by the principles of natural justice e.g. local planning applications, building licences, other permits/licences (e.g. under Health Act, Dog Act or local laws) and other decisions that may be appealable to the State Administrative Tribunal (SAT).

**Report Purpose:**

To consider a request to support a proposed development concept for Lot 2476 Brand Highway, Dongara.

**Officer's Recommendation:**

**That the proponent of a development concept for Lot 2476 Brand Highway, Dongara be advised that Council has no objections, in principle to the proposed concept, subject to the preparation of an amendment to Local Planning Scheme No. 5, which incorporates such plans, studies and reports as deemed necessary under the Planning and Development Act 2005 to demonstrate consistency with:**

- **the scope of Local Planning Scheme No. 5 as set out in the Act, in particular Schedule 7;**
- **the regulations under the Act;**
- **the Shire of Irwin's Local Planning Strategy; and**
- **relevant State Planning Policies.**

**Background:**

Mr Gerard Dornford attended the June Council Forum with a one-page concept plan for Lot 2476 and requested that Council agree to initiate an amendment to Local Planning Scheme No. 5, in accordance with the concept for this property. Mr Dornford indicated that he is in the process of acquiring the land. The landowners are Somerville Pty Ltd (the Shire's contact is Mr John Steffanelli).

The Manager Regulatory Services advised Mr Dornford that the Council cannot make decisions at a Council Forum and that a scheme amendment cannot be initiated without the necessary technical information to support it.

Mr Dornford then requested that Councillors agree to support the development concept.

**Officer's Comment:**

It is recommended that Council advises the proponent that it has no objections in principle to a development concept for the property, subject to the preparation of an amendment to Local Planning Scheme No. 5, which incorporates such plans, studies and reports as deemed necessary under the Planning and Development Act 2005 to demonstrate consistency with:

- the scope of Local Planning Scheme No. 5 as set out in the Act, in particular Schedule 7;
- the regulations under the Act;
- the Shire of Irwin's Local Planning Strategy;
- Relevant State Planning Policies.

A future amendment to the planning scheme prepared in accordance with the above recommendation has the best chance of being successfully adopted by Council and endorsed by the State Government. The Shire would assist by implementing an efficient and effective approval process that facilitates new development and promotes economic growth.

**Stakeholder Engagement:**

The proposed concept plan was discussed at a Council Forum.

**Financial/Resource Implications:**

Nil.

**Statutory Environment:**

Planning and Development Act 2005.

**Policy Implications:**

Nil

**Risk Implications:**

With regard to the Officer's recommendation, which is in accordance with the requirements of the Planning and Development Act 2005, the likelihood of risk is expected to be rare and the consequences insignificant. Therefore, the risk is low.

As the proposed development concept was provided without any supporting documentation, if the recommendation is worded in some other way there is a risk of Council being in breach of the Planning and Development Act 2005. There would also be a reputational risk associated with the potential for the proponent to use Council's words to market the proposed development.

**Strategic Implications:**

**Report Purpose:**

To seek Council's approval to enter into a Memorandum of Understanding with the Dongara Denison Local Rag.

**Officer's Recommendation:**

**That Council approves the Memorandum of Understanding with the Dongara Denison Local Rag for the use of one room at the 'Old School' premises at 1 Waldeck Street, Dongara, as presented in the Attachment Booklet – August 2016, provided under a separate cover.**

**Attachment:**

[Memorandum of Understanding](#)

**Background:**

The Dongara Denison Local Rag entered into an agreement with the Shire of Irwin for the use of the Old School, in exchange for free advertising in 2008.

In 2009, the Rag attempted to enter into a Deed of Lease with the Shire of Irwin, for the use of the room for the cost of one peppercorn per annum. The proposed Deed of Lease was presented to Council in May 2009, who resolved to 'let the motion lay on the table'. There was no further discussion of the proposed lease.

In 2014, the Shire and the Local Rag entered into a written advertising agreement. This agreement was:

- Up to six black and white Community pages per Rag issue to be offered to the Shire,
- The Shire is liable for advertising charges, as per Rag Advertising Costs and Conditions, for any Business advertising pages submitted (with corresponding purchase order number),

- The Shire would be entitled to submit up to 1 colour full page advertisement every three months for Special Events, and
- All logos submitted with relevant advertising items are not to be removed or altered in any way (to ensure the Shire comply with our Style Guide as well as funding or other such agreements).

In June 2016, the Shire initiated the process to implement a Memorandum of Understanding (MOU) with the Local Rag, due to the lack of written agreement. The Shire and the Local Rag have negotiated the attached MOU.

The proposed annual rent and utility costs are 'equivalent' to the advertising the Shire receives at no charge (estimated value of \$21,000 per annum). On this basis, the Council currently waives the \$1,670 rental value for the Rag to use the Old School building.

**Officer's Comment:**

The proposed MOU is to provide written agreement of the existing advertising agreement and use of the room. The tenants and the Shire are in agreement to the terms of the MOU. Therefore, it is recommended that the proposed MOU be supported.

**Stakeholder Engagement:**

The proposal was negotiated with the Dongara Denison Local Rag, who has agreed with the proposed Memorandum of Understanding.

**Financial/Resource Implications:**

The advertising provided to the Shire annually equates to approximately \$21,000 per annum. The Council will continue to waiver the \$1,670 rental value for the Rag to use the Old School building.

**Statutory Environment:**

Local Government Act 1995

**Policy Implications:**

Nil.

**Risk Implications:**

The likelihood of risk arising from Council entering into an MOU with the Dongara Denison Local Rag is expected to be rare and the consequences insignificant. Therefore, the risk is low.

**Report Purpose:**

For Council to consider an application to increase the RAV speed restriction on Tabletop Road and Mount Horner Road West.

**Irwin Roadwise Committee Recommendation to Council**

**That Council support the following proposals:**

1. **Increase the Restricted Access Vehicles (RAV) speed restriction on Tabletop Road (Midlands Road to Allanooka Springs Road) to 100km/h**
2. **Increase the RAV speed restriction on Tabletop Road (Allanooka Springs Road to Burma Road) to 80km/h**
3. **Increase the RAV speed restriction on Mount Horner Road West to 80km/h**

**Background:**

The Shire of Irwin received an application on the 26 June 2016 from a local heavy vehicle operator to increase the Restricted Access Vehicle (RAV) speed limit on Tabletop Road and Mount Horner Road West.

Under the Road Traffic (Vehicles) Act 2014, the Commissioner of Main Roads WA (MRWA) is responsible for granting road access to Restricted Access Vehicles. The Commissioner carries out this function through MRWA Heavy Vehicle Services (HVS). RAV applications are assessed and approved by MRWA in consultation with the asset owner. The asset owner can include a number of restrictions on a RAV application and in this case the Shire of Irwin has imposed speed restrictions of 60km/hr on both Tabletop Road and Mount Horner Road West. The speed restrictions imposed by the Shire only apply to heavy vehicle traffic.

The speed restriction on Tabletop Road was applied prior to a portion of the road (Midlands Road – Allanooka Springs Road) being upgraded to a sealed road. Tabletop Road (Allanooka Springs

Road – Burma Rd) is still unsealed and future funding opportunities to upgrade the road are considered rare. The condition and surface treatment (unsealed) of Mount Horner Road West has not altered since it was originally added to the RAV network.

**Officer’s Comment:**

With Councils support the Shire of Irwin can apply to MRWA to have the RAV speed restriction on Tabletop Road and Mount Horner Road West increased to accommodate heavy vehicle operators. In this case MRWA may need to reassess the route to identify any design or safety constraints against the application.

The application was discussed at the Irwin Roadwise meeting held Monday 8 August 2016, all present supported an increase to 80km/hr on the unsealed RAV network roads as listed above and an increase to 100km/h on the sealed portion of Tabletop Road.

**Stakeholder Engagement:**

The following stakeholders were consulted with, in preparation of this report:

- Irwin Roadwise Committee
- Main Road WA
- Applicant

**Financial/Resource Implications:**

Road Traffic (Administration) Act 2008  
Road Traffic Vehicles Act 2012

**Policy Implications:**

Nil

**Risk Implications:**

The consequence of increasing the speed restrictions is considered minor with an unlikely chance of the risk occurring. Therefore the risk implication for Council is considered low; the risk is acceptable with adequate controls, managed by routine procedures and subject to annual monitoring.

To give notice of the purpose and effect of the proposed Meeting Procedures Local Law 2016.

**Officer's Recommendation:**

**That Council:**

- 1) **Adopts the Shire of Irwin Meeting Procedures Local Law 2016 as provided within the Attachments Booklet – August 2016 by reference to the City of Greater Geraldton Meeting Procedures Local Law 2011, in accordance with section 3.12 of the Local Government Act 1995;**
- 2) **Repeals the Shire of Irwin Standing Orders 2000 Local Law;**
- 3) **Submits an Explanatory Memorandum and copy of the Shire of Irwin Meeting Procedures Local Law, signed by the CEO and Shire President, to the Joint Standing Committee on Delegated Legislation (JSCDL);**
- 4) **Submits a copy of the Shire of Irwin Meeting Procedures Local Law for Gazettal by Reference (using the City of Greater Geraldton as a primary reference); and**
- 5) **Gives local public notice on the Shire of Irwin Meeting Procedures Local Law, summarising the purpose and effect, the day it comes into operation and advising of where copies can be obtained from.**

[Gazettal by Reference of Meeting Procedures Local Law \(based on City of Greater Geraldton\)](#)  
[Copy of City of Greater Geraldton Meeting Procedures Local Law](#)  
[Proposed Shire of Irwin Meeting Procedures Local Law \(public version\)](#)

**Background:**

Following the preparatory work undertaken during the Local Law Review process, resulting in a Council decision (26 April 2016) to remake and repeal the Standing Orders Local Law, research and consultation has been done to develop a Meeting Procedures Local Law that meets industry best practice, local needs and circumstances, and is compliant with legislative process.

Local and statewide public notice of the proposed local law was commenced 30 April 2016 with the consultation period closing 20 June 2016. Advertising was included in the West Australian, Midwest Times and the Dongara Denison Local Rag, as well as promotion on Facebook, our website and the community electronic sign.

The presented (proposed) Local Law is based on the WALGA model Meeting Procedures Local Law.

**Officer's Comment:**

The presented local law reflects only one noteworthy change to the model, which is in regards to the Order of Business. The proposed law is considered to better reflect our current practice and future needs.

The WALGA model law was used to develop this local law, however it is proposed that the law be adopted by reference (that is, adopt a Local Law already published by another local government) to create efficiencies and reduce advertising expenditure. It is worth noting that a new local law must be advertised in the Government Gazette in full at around \$260 per page which, in this case, would amount to an estimated \$6,800.

There are a number of minor changes made through consultation with WALGA and the Department of Local Government and Communities, as well as incorporating some wording changes to align with the City of Greater Geraldton, with no change to the intent of the originally considered proposed Local Law that went out for public consultation. This makes the process of adoption by reference much more simple.

All meetings are to be conducted in accordance with the Act, the Regulations and this local law.

It is important to note that there are strict requirements and guidelines around adopting a local law, and should it be determined that these requirements are not met, the Shire may need to recommence this statutory process.

**Stakeholder Engagement:**

The public consultation period for the proposed local law closed 20 June 2016.

During this period the Department of Local Government and Communities provided feedback on the proposed Local Law, outlining a number of minor formatting and typographical changes and some advice to ensure that the Shire is in the best position to have the Law accepted by the JSCDL and Minister.

The Department highlighted some necessary minor changes, specifically around the suggestion to remove all referencing of specific legislation as they:

- i) Have no legal effect in themselves; and
- ii) May become misleading if that legislation is amended in the future

The Department outlined that their comments:

- have been provided to assist the Shire with drafting matters in relation to the local law;
- do not constitute legal advice;
- have been provided in good faith for the Shire's consideration; and

- should not be taken as an approval of content.

*“The Shire should ensure that a detailed editorial analysis of the proposed local law has been undertaken and that the content of the local law is in accordance with the Shire’s policies and objectives.”*

In July 2016, a copy of the proposed Local Law was provided to WALGA for comment after implementing the recommended changes by the Department. Again some minor wording changes were suggested to provide clarity and consistency.

There were no submissions received from members of the public in regards to the proposed local law.

**Financial/Resource Implications:**

Inclusion in the Government Gazette and Statewide and local public notice of the adopted Local Law will incur advertising costs, which has been allowed for within the Budget.

**Statutory Environment:**

3.12. Procedure for making local laws

*(1) In making a local law a local government is to follow the procedure described in this section, in the sequence in which it is described.*

*(2) At a council meeting the person presiding is to give notice to the meeting of the purpose and effect of the proposed local law in the prescribed manner.*

*(3) The local government is to —*

*(a) give Statewide public notice stating that —*

*(i) the local government proposes to make a local law the purpose and effect of which is summarized in the notice; and*

*(ii) a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and*

*(iii) submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given; and*

*(b) as soon as the notice is given, give a copy of the proposed local law and a copy of the notice to the Minister and, if another Minister administers the Act under which the local law is proposed to be made, to that other Minister; and*

*(c) provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.*

*(3a) A notice under subsection (3) is also to be published and exhibited as if it were a local public notice.*

*(4) After the last day for submissions, the local government is to consider any submissions made and may make the local law\* as proposed or make a local law\* that is not significantly different from what was proposed.*

*\* Absolute majority required.*

*(5) After making the local law, the local government is to publish it in the Gazette and give a copy of it to the Minister and, if another Minister administers the Act under which the local law is proposed to be made, to that other Minister.*

*(6) After the local law has been published in the Gazette the local government is to give local public notice —*

*(a) stating the title of the local law; and*

*(b) summarizing the purpose and effect of the local law (specifying the day on which it comes into operation); and (c) advising that copies of the local law may be inspected or obtained from the local government's office.*

*(7) The Minister may give directions to local governments requiring them to provide to the Parliament copies of local laws they have made and any explanatory or other material relating to them.*

*(8) In this section — making in relation to a local law, includes making a local law to amend the text of, or repeal, a local law.*

**Policy Implications:**

Section 6.12(6) provides that Council may make a policy to deal with circumstances in which a person may be given consent to address a committee meeting.

Section 6.17(4) outlines that Council Policy and relevant Regulations provide for communication with a person not physically present at a meeting (refer Policy E7 Persons Not Physically Present at a Council or Committee Meeting).

**Risk Implications:**

Should the statutory process for making a local law not be followed or it is not considered lawful by the Joint Standing Committee on Delegated Legislation (JSCDL) there is a risk that the process will need to recommence from the start. By using the WALGA model local law, these risks are reduced.

Any associated risks are considered to have a moderate measure of consequence (regarding compliance and reputational), although because it is unlikely the overall risk rating is Moderate.

**Strategic Implications:**

Strategic Community Plan 2012 - 2022

Strategy 4.2.1 Ensure compliance whilst embracing innovation and best practice principles.

Strategy 4.3.3 Adopt best practice processes to achieve a high standard of governance and accountability.
