I have been a resident in the Shire of Irwin for the last 63 years, most of that time as a grain & livestock farmer in the south of the shire.

Together with my wife Donna we started & ran a computer sales & service business for 20 years until we sold it.

I was the shire Chief Bushfire Control Officer for 21 Years until I felt it was time for someone else to assume that role.

It is now time for me to contribute my skills & expertise to guide this great shire forward during the extensive new mining & energy developments that are just beginning.
